

Placing food service business insurance

We're able to help you place insurance needed to protect your customers who own bars, taverns, restaurants and many other types of food service companies. No matter the size or the unique nature of your client's business, our markets can be customized to fit a wide variety of needs. We can help find solutions for your customer's complex exposures such as fire, liquor liability, general liability, assault and battery, equipment breakdown and many more.

Coverages can include:

- Buildings
- Business interruption
- General liability
- Excess liability
- Equipment breakdown
- Business personal property
- Liquor liability
- Hired/Non-Owned liability (delivery only)
